Lieutenant General Daniel O. Graham, USA
Director, Defense Intelligence Agency
Washington, D. C. 20301

Dear Dan:

In the course of preparing the Ad Hoc Task Force Report on the Impact Upon the Intelligence Community of [redacted] 25X1 25X1 we elected to proceed informally. USIB agencies were requested to forward their inputs which we then consolidated and returned for coordination.

The DIA was asked to prepare a response to include service inputs. [redacted] was assigned this task. I am advised that [redacted] handled the job in a dynamic, professional, and thorough manner. His input was provided well within the short time constraints allowed and was of high quality. He also assisted us in the coordination process in an agressive and competent manner. His actions attracted the attention of my staff and reflected great credit on DIA and the Navy. 25X1 25X1

I would like to express my appreciation to [redacted] for this outstanding job. 25X1

Sincerely,

/s/ Samuel V. Wilson
